ITEM	UNION POSITION	COMPANY POSITION	ACTION	BY WHOM
1. Chip Screens Fire Update			a) Robert gave a brief overview of the plan for the chip screens rebuild.	
	b) We were impressed with how quickly the paper machine was up and running after the fire. Kudos to CPLP's management team.			
2. Duty to Accommodate Grievance #32206 - S/C #241-7, 249-2, 250-1, 251-1			a) A meeting date of February 14, 2008 is still a go as far as we know.	
3. Labour Agreement, Article 1, Sec. 4, Grievance #4781 - S/C #246-8, 249-3, 250-2, 251-2			a) A meeting date of February 14, 2008 is still a go as far as we know.	
4. Pulp Price Trigger Bonus Payment - S/C #243-10, 248-4, 249-5, 250-3, 251-3			a) Our national representative has requested a meeting with the company's accountants and our accountants to see if we can come up with some sort of resolution on the trigger bonus payment. Domtar has already done this and they have worked it out.	
			b) Can you get us a copy of what Domtar agreed on?	

ITEM	UNION POSITION	COMPANY POSITION	ACTION	BY WHOM
	c)	Yes, we will get you a copy.	Follow Up	Union
5. Operators' Training – Signing Off	a)	We are getting a lot of complaints from our senior operators and it is centered on the winderman position. We're getting winderman who have signed off as being trained but cannot do their job. One backtender refused to operate the machine until the winderman was replaced, as that winderman could not start the extensible up.	Follow Up	Company
	b)	If there is a concern about employee's qualifications, then don't wait for a standing committee meeting. Inform the Shift Supervisor and he will inform the Management Team for follow up. We will follow up.		
6. Disability Management Training	a)	Will the company be providing training for a local member to take the Disability Management training so we both have qualified members for the committee?	Follow Up	Company
7. Elections	a)	Will we be receiving a list of the new committee members?		
	b)	Yes, we will send you a list.		
8. 2007 Business Update	a)	We had a record year at all mills for 2007 for CPLP. CPLP continues to produce well, maintain world-class safety records and remain profitable in a time when the industry is facing extremely difficult times. As a small thank you, CPLP will be having several pancake breakfasts to show our appreciation. We are trying to get every crew.
